New to the Michigan 2-1-1 database? Use the tips below to help you decide which fields are best for your search.

**SEARCH Guide:**

**Step 1:** Add the location where you are looking for services. You can add city, county and/or zip. By adding a zip code your results will sort by proximity to that zip code.

**Step 2:** Look for an **Agency** OR a **Specific type of Service**.

If you are looking for a specific Agency be sure to use the proper name. If you do not know the full name use the keyword field to search.

Use the Service Category field to search by a specific indexed category the service is filed under. Begin typing and we will suggest categories that are in our index.

Use the Keyword field to search on all agency names, service names, or words or phrases that are likely to appear in the service description.

**Step 3:** To narrow your results even further, use the **Geographic Area Served** field to only return results that are available in the area you are looking for help. You can enter a county, city or specific zip code.

**Advanced Search Tip:** Simply click on the Search Criteria tab to view or change your search criteria.
